

Services and Tools We Offer Clients: An Overview

In addition to financial planning and focusing on investments and building wealth, The Millstone Evans Group is pleased to offer our clients a variety of important, valuable services and tools that play a key role in the overall service that our team provides.

Several of these services are *complimentary* to our clients and others are offered at a discount/small fee. There's a **C for Complimentary** next to the services and tools we offer complimentary. We can help clients easily sign up and manage all of the services and tools. Click on the links below to learn more about each of them.

Financial Planning Tools

(Main Internal Points of Contact: Sacha, Greg, Brad, Martial)

- [Financial DNA®](#). The platform delivers client behavioral insights that address risk, spending, goals, communication, work and life interactions. Financial DNA allows advisors to really understand their client beyond typical risk tolerance profiles. **C**
- [My Big Picture](#). This online portal works in two ways. For us, it *helps us help you* with financial and cash flow planning. For clients, it safely and securely maintains investments, budgets, expenses and other important financial accounts – from credit cards to mortgages (whether held through us or not) - in one location. **C**
- [YCharts](#). Web-based financial research and analysis platform for asset managers and advisors that helps with building custom portfolios and generating analyses. **C**
- [Income Solver](#). We use this software to create personalized plans for clients' withdrawals/distributions based on best options, tax optimization and more. **C**
